## **REVIEW OF EWHA KOREAN STUDY GUIDE ENGLISH VER 1 2 KOREAN LANGUAGE**

- Hard to read, but I'm really glad I read it. It has influenced so many other works. While discussing this book with another friend, he summed it

up well -- "It's like eating a really, really good meal... of vegetables."

- Neither of us was able to get through this tome. For me, it had nothing to do with it being a difficult read; I simply was not rewarded enough to continue. Admirable, yes, but ultimately this is far from the finest novel of the English language. It is time to say it: the Emperor is not wearing any clothes. There are better books. Read Faulkner or Reinaldo Arenas.
