### **REVIEW OF BSBADM503B ASSESSMENT ANSWERS**

- Despite my possibly inflated ego from all these great reviews, I did not in fact write them myself. For some reason Amazon lost the original author names and it substituted my name in their place.
- I got this book from the library after my mouse died. I wanted a hamster but we got this too to see which one sounded best. I saw that this book says gerbils sleep at night. We decided to get gerbils. I got two named Acorn and Daisy. But they do not sleep at night! They keep me awake when they are upstairs. I read another book and it said that gerbils like to stay up around midnight! I go to sleep at 11:00 on weekends and the gerbils wake me up. This book was wrong about gerbils sleeping at night. I did like the pictures, though. I don't know if there is anything else that isn't true because I didn't read the whole book.
