REVIEW OF SAMPLE AFTER SCHOOL DETENTION LETTER

- This book kept me fixed on something to do & it also kept me from boredom on the plane to Miami. I was reading for 5 hours when I fell asleep. I still don't understand why Tolkien didn't make Thorins death more ceremonial. All in all it was a really good book to read. I would definitely recommend this book.
- Was excited to open only to see on copyright page the date 1996. If printed in 1973 like advertised, not possible. Great aesthetics and dust jacket but wish site would have been clearer I was purchasing a reprint.
