REVIEW OF A TRADERS TO FINANCIAL ASTROLOGY FORECASTING MARKET

- I read this book ALL the time when I was a kid and it popped into my head randomly one day and I am so glad to

have found the same book (with the SAME cover!) from when I was a kid. Great stories for people of all ages!!

- I am a fan of the Little Critter Series for my two year old and this is one of the most positive storylines. In this age of childhood obesity, this is a great book for our kids. The book starts with Little Critter's question, "Why are carrots better for me than cookies?" The teacher

replies, "Because carrots have vitamins to help you grow. Cookies just taste good." From there Little Critter engages his family and friends to a healthy lifestyle of eating good foods and fun exercise. Take a look at some of my other Little Critter favorites: All By Myself, The New Baby, Just Me and My Dad, Just a Snowman, Just a New Neighbor and Me Too.
