The unique narration style, relatable characters, and plot twists make it a worthwhile addition to your shelf. So, if you're trying to find an exciting read, Lines Of Departure is absolutely worth considering.

REVIEW OF LINES OF DEPARTURE

- Lewis's work here is not a sweeping apologetic of the Christian faith. That being said, it does provide an insightful commentary on the worldview of the modern Christian. Despite a few chapters that are dry, the author's style of writing is very enjoyable. Lewis knows how to be whimsical while dealing with serious issues. Lewis is no fundamentalist, and he solicits an informed faith. He argues effectively that the Christian worldview is a very worthy one indeed. But the greatest accomplishment of this book is that it brings all the major ideas and theology of the Christian faith together into one concise and understandable volume. I know of no other book that has so succeeded in that task.
- I am grate for this beautiful edition of this classic. I gave new copies to my children. Knowing that the wonderful text will be well preserved and presented for a life-time of enjoyment and inspiration is a real value.
