## **REVIEW OF SEEKING WISDOM FROM DARWIN TO MUNGER PETER BEVELIN**

- this was a really great book! anyone who reads this book will continue the whole series. definatly a cat lovers reading companion. i loved it!
- This is the 1st of 6 books in a series by Erin Hunter. My 13 year old

Granddaughter introduced my daughter and I to this book. I expected it to be a little juvenile but it wasn't. It is written from the perspective of a "kittypet" housecat who goes back into the wild to survive in a clan. After reading it, you will never look at a cat in the same way again! I liked it so much, I bought two extra copies for a friend who is a pet lover and for our vet! Highly recommend for some entertaining reading.
