### REVIEW OF PRINCIPLE OF ECONOMICS 5TH EDITION SOLUTION

- i think that this was my favorite book by LJ Smith!! I liked the irony of a vampire that OTHER vampires think as cold and ruthless falling in love with a feared vampire hunter. I just have one question.....Quinn is 400 yrs old and immortal...Rashel is human and will grow old and die, and she refuses to be turned into a vampire. Does anybody see something weird about that? I mean, one day she'll be 60 or something and Quinn will be 18. what will he(and other characters do) when their mortal soulmates die? there was never any hint that the other humans are Old Souls. so whats up? Other than that i really loved this book and all the others in the series. i can't wait till Strange Fate comes out!!!

- A step-by-step book of instruction on what it takes to be a Tzaddik (a holy man). A book that will re-affirm any Jew's faith in God. A book I have to read over and over again.
