REVIEW OF THE MERCK VETERINARY MANUAL 10TH EDITION DOWNLOAD

- It was fairly cheap and was received in excellent condition. It is also a great book to add to any one's collection of classics.
- This book reads just like a story with real life accounts. It's very entertaining and interesting, but not redundant and textbook-like. I recommend reading it! It's short enough to read in one night. It also provides great insight into the Indians and the suffering they had to go through. Great book!
