And for the next three hours—the entire scope of the novel—she keeps on running. Joan's intimate knowledge of her son and of the zoo itself—the hidden pathways and under-renovation exhibits, the best spots on the carousel and overstuffed snack machines—is all that keeps them a step ahead of danger. A masterful thrill ride and an exploration of motherhood itself—from its tender moments of grace to its savage power—Fierce Kingdom asks where the boundary is between our animal instinct to survive and our human duty to protect one another. ### REVIEW OF MURDER ON THE ORIENT EXPRESS PENGUIN READERS

- Awesome book by David Gemmell. This book continues with the exploits of Druss, the Legend, who ends up fighting his own people to help the Nadir, and a man who is dying. Most importantly, this book reveals the beginning of the unification of the Nadir, and the birth of their leader, Ulric the violet eyes. This book also seems to bring the curtains down on Druss, as his death is mentioned in the epilogue. It is interesting to see different clans, who would usually slit each others throat try and fight together for a common cause. Also emerges the name "Deathwalker" for Druss.

- Having recently watched a "Made for TV" movie based on the true events contained in this book I was anxious to read the facts about the way the good folk of Gander, Newfoundland rallied round & accomodated, fed & entertained an influx of 6,600 air travellers aboard 39 planes which had been diverted to their town due to American airspace being shut down on 9/11. I was not disappointed ! Jim Defede, the writer, presents a very well written account of the 4 days that the world came to Gander & chronicals both the huge logistical operation and the emotional experiences for both passengers and townsfolk. Many friendships were formed over those 4 days which exist to the present day, and I cannot commend the town of Gander enough for the humble, caring way they held out the hand of genuine friendship to complete strangers. This is a " must read" book.
