THROUGH THE EYES OF THE EAGLE, BOOK 1 7 Dorrance Publishing Company

The title, *Through the Eyes of the Eagle*, was actually birthed three years prior to the writing of the book. When the author was inspired and compelled to write the story of his life three years later in 2017, his remembrance of a spiritual experience that took place in 2014 would be the stimulus to consider the title. This spiritual experience was an actual visitation and sighting of a golden eagle. This experience became his motivation to choose the title. The title chosen is really a metaphor of sorts and symbolic representation of the author's spiritual eyesight wanting to convey this compelling story as seen through his eyes. When

the visitation and sighting took place in August 2014, the author knew there was a higher spiritual connotation to be understood. Yearning for the meaning, the author researched the significance. What the author learns put his compelling story of his life into perspective. He realizes the significance of this sighting was proportionate precisely and relative to what he had been through in his life and what he had learned from a higher perspective. What he learned and already understood were the specifics of spiritual messages that the eagle is trying to convey when one is visited by one. Specifically, when the eagle appears, one is to be fully aware, to be courageous, and to stretch one's limits. Look at things from a new and higher perspective, and know that the future holds possibilities that one may not be able to see. Additionally, with respect to its symbolism and powers, the eagle conveys powers and messages of the spirit. It is man's connection to the divine. In this sighting, the author learns and understands that the eagle bestows freedom and courage to look ahead, and the lesson of the sighting is that one must have the courage to relinquish the state of comfortable habits and beliefs to soar into unknown realms and realities. On that particular day of his life, it seemed to the author that the lessons learned summed up his entire life story. After this magnificent experience, friends, with whom he had shared the spiritual experience of the eagle sighting with, gave him the name *Eagle* because of his spiritual eyesight and its accuracy. In their opinion, his eyesight was as impeccable as the eyesight of an eagle. The name given stuck and became a profound inspiration to the author to eventually convey this compelling and inspirational story as seen through his eyes, the eyes of the eagle.

Mr. Eagle befriends Rain That Dances, the primary child character in the book, to educate him about diabetes and how the lifestyles and health of the people have changed. Mr. Eagle has come to remind the children of the healthy ways of their ancestors so that they can be strong and healthy again. Measures 16 in. x 19 in. This is the first book in a series of Eagle Books. By Georgia Perez. Illustrated by Patrick Rolo and Lisa A. Fifield. Origin and Purpose of the Eagle Book Series The Eagle Book series grew out of a single book, "Through the Eyes of the Eagle," that had been written by Nambe Pueblo s Georgia Perez (Native American Diabetes Project, University of New Mexico) and woven through the curriculum of the Strong in Body and Spirit program in the late 1990s. Ms. Perez found that when children heard the story of the eagle, they listened intently. Afterward, they were eager to take the diabetes-prevention information back to their parents and grandparents to share what they had learned. The role of the eagle as teacher and the story s success led to the creation of a series of children s books whose purpose is to convey to children healthy ways of living. All of the stories reflect long-held values of American Indian / Alaska Native people respect, gratitude, and generosity while teaching the universal wisdom of healthy eating and physical activity.

Throughout the series, a young Native boy and his friends learn about healthy habits from Mr. Eagle, Miss Rabbit, and Coyote. Vividly brought to life by the colorful illustrations of American Indian artists Patrick Rolo (Bad River Band, Ojibwe) and Lisa A. Fifield (Oneida Tribe of Wisconsin), these stories by Georgia Perez have become the award-winning Eagle Book series "Through the Eyes of the Eagle," "Knees Lifted High," "Plate Full of Color," and "Tricky Treats." Additional diabetes prevention books based on these characters for middle school children are also becoming available, starting with "Coyote and the Turtle's Dream." The purpose of the Eagle Books is to help children understand several important messages about diabetes and being healthy: Many Americans, including Native peoples, no longer eat traditional diets or practice vigorous physical activity. Type 2 diabetes can be a consequence of this lifestyle change. Returning to healthy diet and physical activity can help prevent diabetes. Friends and families can help each other to prevent diabetes by eating healthy foods and staying active.
