## **REVIEW OF DOSAGE CALCULATIONS 9TH EDITION GLORIA PICKAR**

- This book is great and for free even better!! got addicted to the series but

after all this book is AWESOME!!!

- Warriors #1 Into the Wild is a great book. It's about this cat called Rusty that is owned by humans. He always dreams about catching mice in the forest. One day he goes out into the forest and runs into these forest cats. Then he decides to become a forest cat himself. A lot of older readers with he age 12 & up will think this book sounds stupid because of this review but it's now my favorite series of books. The first 2 books are confusing for everyone who who reads them. If you start wanting to quit the series because of these reasons, DO NOT QUIT! I just started Warriors #4 Power of Three and I'm soooooo addicted. If this review helps you, please respond.
