## **REVIEW OF PROGRESS TEST FACE2FACE INTERMEDIATE SECOND EDITION UNIT11**

- I received my order on time and in good condition. The book itself was great! I couldn't put it down and finished it in two days. I would definitely recommend this book.
- I don't know how she does it. She uses the same story line and can make each book better than the last. I too thought it would be hard for her to beat the wonderful story of Zarek, but she did very well in writing and keeping up the suspense in this story of Valerius. Valerius is hated by just about everyone for something that his ancestors did hundreds of years ago. Talk about holding a grudge! Tabitha Devereaux, whom we met earlier in previous books sees Valerius for the sensitive being he is and helps him come out of his shell, all the while helping other people forgive the past. If you haven't read any of the Dark Hunter series then your missing out. I suggest you get started ;-)
