## **REVIEW OF REPOSITION YOURSELF LIVING LIFE WITHOUT LIMITS**

- Eragon is in the woods when he finds a 'stone' that will change his life forever. He is 16 and has a quint life in the small town he grow up in. As he ( and you) will soon find out, he is ment for much bigger things. I think that this is a graet story, no matter who you are.

- 'Eragon', a first novel started at 15 years of age by C.Paolini. Sure, when you say the words, 'elves, dwarves', etc., you are reminded of Tolkien. So what? At 42 I'd be lucky to pen something like this let alone in my teen years. (Some of you criticizing should shush and go write your own novels.) While there are a few errors such as reference back to other sections, maybe a little grammar, no biggie. I've read it to myself and outloud to my son and both of us find it creative and exciting. No dullness at all. I've reads tons of books in my time and all I have to say is: Christopher P., I'm pre-ordering 'Eldest'. Please don't keep us waiting too long. Nice job!! I had trouble putting 'Eragon' down!!(^\_\_\_\_^)
