### **REVIEW OF ESSENTIALS CONTEMPORARY MANAGEMENT GARETH JONES**

- I read this book in 1975 when I was 17 years old and was enthralled. Unfortunately I had to give the book back to its owner, but I never forgot the story. Years later I found it in a used book store and snapped it up. I have read it two or three times since then and even though I know how everything turns out, I never get tired of it. Warning! if you start reading this book make sure you have a few days to kill because you won't want to put it down!

- I love it all and have since I first read it back in the 1960's.. I have loved Green Darkness and all of her books.
