Third Eye Awakening Third Eye ChakraAwaken Your Third Eye Chakra with Simple Guided Meditation TechniquesDo you know the importance of opening the Third Eye chakra? Do you know why you should develop the skills associated with an active Third Eye? If you feel unmotivated and constantly devoured by worries, anxieties, and fears, or you are convinced of being worthless, driven by materialism and mental rigidity, then this is the time to get to know the third eye and its important function. Ajna is our sixth chakra, also known as The Third Eye Chakra because it is located right in the center of the forehead, to be exact in the area between the eyebrows. It governs all the organs located near this area, i.e. the eyes, the pineal gland, the hormonal system, and the central nervous system, consisting of the brain and spinal cord. From its center originate our ideas, omens, and intuition. Our inner guru, that is, our wise and far-sighted part, resides

precisely at this chakra. Ajna is in fact connected to everything related to intuition, creative imagination, concentration, and mental lucidity. Ajna's energy makes us more aware of the reality around us and allows us to know ourselves without being conditioned by momentary desires or needs. We are able to clearly perceive the "here and now" without any distortion and are able to elaborate ideas, opinions, discussions, and judgments with a critical and rational spirit. When, on the contrary, the Ajna chakra is blocked, on a physical level we can more easily run into vision problems, apathy, depression, chronic fatigue or insomnia and nervousness. On a psychological level we easily lose our memory and let ourselves be carried away by fleeting thoughts, easily distracted at the slightest stimulus. We are constantly devoured by worries, anxieties and fears and we are convinced that we are useless: we are also seized by the obsession to measure and control everything, driven by materialism and mental rigidity. The greatest risk we run is to stop dreaming and lose idealism, convincing us to reject any idea or stimulus. This book shows you how to strengthen yourself and your awareness with simple exercises. You will learn useful strategies to activate the pineal gland. The third eye chakra opens the doors of the mind and trains imagination, intuition, and perception. There are seven main chakras in the body situated along the spine, as well as several “outside” the body which connect a person to the earth and to higher dimensional planes, including universal awareness. These chakras are intimately related to the level of consciousness one is able to access as well as the degree to which areas of the body are able to maximize their potentiality. Intentionally working with the chakras can help them awaken and help one progress on their journey. Learn more about each of the seven chakras, including what stored emotions they correspond to, the indicators of closed versus open chakras, and how to empower yourself to use your chakras to access a greater understanding of Self. If you are interested in learning more about the Third Eye and all the powerful benefits you can have by opening it, then keep reading... How many eyes do you have? Well, you know of two of them, obviously, the physical ones that are conspicuous and located on your face. But there are, most likely, moments when you first see something, but you know it's not exactly new. Chances are you've experienced what you see now, but at a subconscious level. You also have this strong feeling about something at certain times, and you may think it's your mind that directs your line of thought and density, yet it happens to be a function of your third eye. The third eye is known as the doorway to higher consciousness. It may symbolize an enlightenment state. The third eye is considered as the "inner eye" in Eastern and Western spiritual traditions; the mysterious or enigmatic term which corresponds to the "Ajna" chakra. The third eye involves clear-sightedness, out-of-body experiences, visions, and precognition. Individuals whose third eye has grown are classified as "seers." The third eye is also seen as mystical because some people have enhanced, enlightened experiences when opening the third eye. For example, people who see the future may use the third eye to answer questions about the world around them and sense hidden connections and patterns. There is also a strong connection between the third eye and empathy, which may explain how some people 'see' the aura of others or feel their emotions. It works in these ways and many others, helping you gain a deeper sense of the world around you and a deeper sense of self. By reading this book, you will learn: The long-term

symptoms and benefit of Third Eye awakening How meditation can help you activating your Third Eye Practical tips and tricks to get the most out of your meditation routine Commons mistake most people make trying to activate the Third Eye ...And much more If you are excited to start your journey and ready to take advantage of the benefits of your Third Eye awakening, then this is the book for you. Revised edition of the groundbreaking New Age book that seamlessly merges Western psychology and science with spirituality, creating a compelling interpretation of the Eastern chakra system and its relevance for Westerners today. In *Eastern Body, Western Mind*, chakra authority Anodea Judith brought a fresh approach to the yoga-based Eastern chakra system, adapting it to the Western framework of Jungian psychology, somatic therapy, childhood developmental theory, and metaphysics and applying the chakra system to important modern social realities and issues such as addiction, codependence, family dynamics, sexuality, and personal empowerment. Arranged schematically, the book uses the inherent structure of the chakra system as a map upon which to chart our Western understanding of individual development. Each chapter focuses on a single chakra, starting with a description of its characteristics and then exploring its particular childhood developmental patterns, traumas and abuses, and how to heal and maintain balance.

REVIEW OF AJNA CHAKRA THE THIRD EYE

CHAKRA RUDRAKSHA RATNA

- Ms. Wilhide has written yet another wonderful book on contemporary decor. Her style is eloquent, simple and beautifully stated. The photography is wonderful and the items pictured are not beyond the reach of the average person. I came away with a much broader knowledge on the topic, full of ideas, and very

importantly-how to put it together. If you enjoyed this book, I would suggest Ms. Wilhide's "Lighting: A Design Sourcebook". My next purchase from Amazon will surely be a book by or co-authored by this author!

- it's a very good book for new wiccans and people who want to explore other realms in meditation a must read!!
