REVIEW OF CORPORATE FINANCIAL MANAGEMENT 4TH EDITION EMERY

- I was given this book, which by the bindings you can tell was already well read, by a friend who is in AA. she told me to open the book to any page and just read, read out loud. As I began to read I also began to cry, something I don't do much. this book has touched me in places I didn't know I had, my soul. I have bought several copies of this book and have given them to friends I thought it could help and it has and now they too are buying copies and passing it along to their loved ones. I couldn't imagine my life without this book now. I Thank my very dear friend for opening up this new door for me.
- I purchased this book 'by accident' over five years ago and I still read it almost daily. I was looking for some kind of (self-help) book to help me get

myself back together after ending a relationship with an addict. This book has taught me A LOT about myself and I suggest it to anyone that wishes to repair themselves rather than someone else. Each daily may not be exactly what's needed that day but you can find one that will help you renew your own strength and heal.
