REVIEW OF ENTREPRENEURSHIP IDEAS IN ACTION 2ND

EDITION ANSWERS

- Michael F. Holt makes a great argument on past historical events leading up to the Civil War. He states clearly in the preface that he is writing this book to reach a wider audience. (And from the other reviews I can see he did!) It is a resource book containing thoughts he previously used in his books on the Whigs and the 1850's, but if you're an American History teacher or professor this book could be used in the classroom. It is a great addition to my library and would easily work in an academic setting to hit on all the major "coming of events" before the War. The only probably I have

with this book is that Mr. Holt portrays John C. Calhoun as a radical. While he might have been in the 1830's by the Mexican War and the Compromise of 1850 Calhoun predicted the future of our Country and in his address to Congress in 1850 urged for compromise over disunion. I still would recommend this book to anyone who wanted some straight answers to the Antebellum period of United States history.

- I am a Star Wars geek! I have read many SW books, but this by far was the sadest. It was gut-wrenching to see how Anakin finally was seduced by the tantalizing lure of power and the ability to save his pregnant wife, Padme Amidala.

You began to see the slow breakup of Anakin and Obi-Wan's relationship and the insidious presence of the dark side. In the book, according to Anakin, a 'dragon' seemed to be inside him, eating away at his self. The 'Hero With No Fear' he is called. The readers sees how while this may be others view of Skywalker, and even though he may want to believe it himself, fear is what turned Anakin to the dark side. He fears that his wife may die in childbirth and that makes Anakin lust for larger powers. Another factor that made Skywalker betray the Jedi is the death of his mother. Later, after slaughtering a village of Sand People he recalls to Padme, "Why'd she have to die?... Why couldn't I save her?"As a very wise old man once said, "Fear leads to anger, anger leads to hate, hate leads to suffering..."
