REVIEW OF CRUSADE OPERATION FIREBRAND

- Ann Wigmore she the best. Anything Ann does is great. Just learn from her, she knew what she was talking about.
- I decided to buy this novel since I love Harvest and Bloodstream so much. I do NOT regret it in any way, shape or form. The characters are ALIVE in this book, you really feel for them. The channel Gerritsen was able to write with the reader and the

situations is unbelievable. Also, this book is not as predictable as Harvest, yet it's ending is not as absurd and unlikely as Bloodstream. Although, beware, there are numerous disturbing scenes (trust me on this one). Blood runs free in this novel, but never gratuitously. Do I recommend this book? YES! Is it worth both your time and your money? YES! Should you be adding this book to your shopping cart instead of reading the rest of my needlessly-long review? YES!
