REVIEW OF SUMMARY OF BUSINESS ADVENTURES BY JOHN BROOKS INCLUDES

- The first part of the book was well-written, poignant and interesting. However the second part was pendantic and thus boring. The author would have been better served if he used the examples in the first part of the book to sparingly illustrate the philosophy and theory in the second part of the book.
- This is a very intimate look at the life of a Holocaust survivor. It has lots of insights that are usually overlooked. The book came on time in perfect condition, the seller was great. Thank you.
