We hope this short article has motivated you to check out The Complete Book Of Knife Fighting By William L Cassidy, connect with fellow viewers, and compose your own testimonials. Delighted reading!

REVIEW OF THE COMPLETE BOOK OF KNIFE FIGHTING BY WILLIAM L CASSIDY

- The young hero and heroine, Chase Armstrong and Kit Daniels, survived the first Dinosaur War when a human-sized, intelligent species of dinosaurs returned from space. Now, the tentative peace between the invaders and the US military is breaking down and Kit and Chase's new romance is on the rocks as well. Now they must each try to survive alone. Will they find their way back together, or end up as some carnivore's grisly meal? The science behind Dinosaur Wars: Counterattack is up-to-date. The deadly Megaraptors, larger than Spielberg's Velociraptors, are fully covered in feathers, the way paleontologists now know they were.

Other great beasts of the Cretaceous Era are portrayed in accurate detail as well. A good story, though, hinges on its human characters. I found the young adventurers, Kit and Chase, to be the sort of heroes who make you want to join their quest for survival and love. Think 'Star Wars meets Jurassic Park,' and you'll have a feel for what the book is all about. Counterattack is suitable for all ages to enjoy. If you are a fan of

action, adventure, dinosaurs, and a little light romance, then I think you will find this book to your liking.

- The book seller was really prompt in his service. I thought I was getting a used book but I received a brand new book sealed in plastic. The book on residential energy is very thorough and I after I read it I plan to take retest for my BPI class with Everblue.
