REVIEW OF DRACULA PORTAL RICHMOND

- Traumnovelle is the book on which the fantastic movie Eyes Wide Shut is based. It is written as early as in 1926, and it does not take place in New York but in Vienna. A VERY beautifully written short story which is much more a poetic dream journey than an erotic story. Very interesting book!
- "Death on the Family Tree" is a great

mystery and a little darker than your normal cozy. The main character, Katharine Murray, has much room for growth throughout this series. She is only beginning to question who she is now that her children have left the house, & her husband is away most of the week on business. She is a real delight to watch, & I am sure we will be seeing more of Hasty, her love interest from high school. I am excited to see how Katharine comes to terms with her marriage & her feelings for Hasty.
