Writing Down The Bones

REVIEW OF WRITING DOWN

THE BONES

- This book tells a lot about Mandie's heritage. She learns about life in the past and how it was for her father to live.
- This was a childhood favorite. Milne seems to be able to see into the way a child's mind works; and his poetry is lyrical. I can still quote quite a few by heart!! I'm not ordering though; I own it already in hard cover. I wanted it for my kindle; but the price structure is nuts. The kindle price is \$10.99, while the hardcover is only \$8.22. paperback is \$6.99 That's crazy! And it's why people pirate books!
