REVIEW OF AVATAR THE LAST AIRBENDER PROMISE PART 3 GENE LUEN YANG

- I'll add my own impressions that every prospective husband and wife, and every husband and wife should read this book. It's been noted that Middlemarch contains some of the finest scenes of married life written. Criticism serves to place this work with the greatest of classics. In that perspective I only felt Middlemarch short of Shakespearean omniscience and less sweeping and broad in power than some of the Russian stuff. Elliot's machine gun intellect, present in every word, sentence and page, requires intense concentration reducing a little my ability to reflect and enjoy as I read. But the code word here is "brilliant" or substitute any similar adjective for this most enjoyable and worthwhile book.

- We got the Black Family, The Black Church, The Black First Lady, and The Prominent Black Minister and Now Can I Get An Amen! Casting The First Stone is a story about contemporary issues that affect the family and the church today and portrays a realistic as well as behind the scene view of the church. Tanya Black, the wife and First Lady of the story, is torn between

keeping her family together or moving on and severing the ties to her husband, the minister Curtis Black. It seems the good Rev. Black has had a few too many dalliances and he seems to be changing from a loving husband to someone Tanya used to know. In fact, Rev. Black has become so enthralled with himself, lust, power, greed and wealth that he appears to have forgotten why he became a minister in the first place. Casting The First Stone was wonderfully written and the storyline/plot depicted the ups and downs many couples face when one partner decides to seek their own agenda and does not consider the needs/feelings of the rest of the family. Ms. Roby did a wonderful job of bringing her characters to life in the minds of readers. She included characters that were relatable and ones you could easily identify with. Situations were included which tested all of your emotions

and made you cry, laugh, seek revenge, and get upset but also made you keep turning the pages to find out the ultimate outcome. My only disappointment with Casting The First Stone, was that Ms. Roby did not explain Rev. Curtis Black more. I wanted to know more about what made him tick and why he did some of the things he did. However, I also realize that in real life there are a number of Curtis Blacks who act the same way. No Rhythm or Reason but Just Because. Casting The First Stone is a book which shows that all of us have flaws and faults and none of us are exempt. And sometimes even the best of us fall to temptation (The First Lady--Tanya included); however there are always consequences or rewards associated with whatever decisions we decide to make. With Faith and Commitment, We Can Turn Around Any Situations And Start Anew.
