## REVIEW OF SONY XPERIA Z USER GUIDE

- I love to read adventure books with pierces and sored fights I haven't read this book before but Im loving it.
- When I first picked up this book, I thought it was a little boring. But after I got to about page 20 I started to figure out why this is a classical favorite of millions of people today. This is a story about a orphan boy named Jim Hawkins that finds a treasure map in a dead mans room and goes on a daring adventure that will change his life. He and the whole ship's crew go through many challenges during their voyage like mutiny, murders, and trying to fight the evil pirate (also the ships captain) , Long John Silver, that would kill his own friends to keep all the treasure for his own. This is a great suspense that you will never be able to put down. I

highly recommend that you read this book.
