## **REVIEW OF EFG 425 430 JUNGHEINRICH**

- This is one of those poems that I pull out now and then just to hear the singsong rhymes. It's a great story about a town that is overrun by rats. When a

mysterious man offers to "rid them of their vermin" the town council is thrilled. Unfortunately they break their promise of payment after the rats are removed and the man takes revenge. A quick read and so worth it!

- This book was terrible. I bought it in the hopes of learning something better than the normal mnemonic techniques; however, her book showed techniques that were impractical and plain dumb. For all those out there looking for a good book on memory that will really WORK!!!! Try Harry Lorayne and Jerry Lucas's The Memory Book. The techniques are easy to learn, but will take time to apply to information for school. However, you will be rewarded for your efforts.
