All he wanted was a distraction- what he got was trouble- named Tully. Risking their lives for others is second nature, but can they trust each other enough to risk their hearts?

[SA Mining](#) Cambridge University Press

This book describes the author's experiences during eight years of living and working among the Swiss. It examines several aspects of the Swiss banking system from the viewpoints of consumers, investors, and employees. It depicts cultural differences as well as the practical difficulties confronting the new immigrant as he seeks to put down roots. It seeks to edify the vicarious traveler as well as those seriously considering relocation here. Finally, it celebrates in some detail the beauty of this relatively simple and honest land, with especial emphasis on the cantons of Berner Oberland, Graubunden, and Wallis, as well as the environs of Zurich."

A series of bizarre suicides leads Detective Inspector Silas Quinn to revisit his own troubled past ... June, 1914. A young man is mauled to death at London Zoo after deliberately climbing into the bear pit. Shortly afterwards another man leaps to his death from the notorious Suicide Bridge. Two seemingly unconnected deaths - and yet there are similarities. Following a third attempted suicide, Detective Inspector Silas Quinn knows he must uncover the link between the three men if he is to discover what caused them to take their own lives. The one tangible piece of evidence is a card found in each of the victims' possession, depicting a crudely-drawn red hand. What does it signify? To find the answers, Quinn must revisit old, disturbing memories. But can he keep his sanity in the process? A chilling historical mystery of World War One London, perfect for fans of Abir Mukherjee, S. G. MacLean and Susanna Gregory.

Thanks for picking our platform for your PDF downloads. We look forward to providing you with exceptional solution and varied alternatives for several years to find.

## REVIEW OF ELEKTRONIKON

- this book is a fun read but one detail really bothers me. Marlene is 6 months pregnant with twins. now what women in this condition could do the physically demanding actions she does in this book. plus what woman would jepordize their potential life.
- "Recessional" was my introduction into James Michener's writing. This novel is the work of a fine craftsman. Upon reading, you feel that there are no wasted characters or scenes; all are important and work towards making a beautiful canvas for you to enjoy. In this story a young doctor, Dr. Andy Zorn, is driven from his practice in Chicago by a frivolous lawsuit against him and by his divorce. Mr. Taggart, the owner of a chain of retirement communities, hires Dr. Zorn to manage of his properties, The Palms in Tampa, which is not making a profit. It is at this location that Zorn must rebuild the community and his life. Of the characters Zorn meets, you feel that you have met them before, but never took the time to know them. For instance, there is Mr. Bixby who seems like just another retiree. One day, someone notices that he is "the" Buzz Bixby of World Series fame many years ago. All the characters, and for the matter all retirees, have had a wealth of experiences which get overlooked when we do not try to understand. Michener also discusses many issues (as an aside, this was written in the early nineties) such as Alzheimer's, AIDS, euthanasia, and living wills. There are other topics, but these seem to be the most poignant. Throughout these issues, you will never feel that Michener is preaching to you, but you will know how he feels. I would recommend this book. It is an enjoyable read.
