She's Gonna Blow! Elephant and Piggie Book

Gerald and Piggie have a

misunderstanding over Piggie's new toy, but soon realize friends are more fun to play with than toys.

Real Help for Moms Dealing with Anger Crown Books for Young Readers

Another sweet, classic bedtime tale from Arnold Lobel, the beloved author and illustrator of the Newbery Honor and Caldecott Honor award-winning Frog and Toad books. While his mother and father are away, a little elephant goes to visit his uncle. And what a time they have!

Uncle Elephant makes wishes come true, tells amazing stories, and trumpets the dawn. The visit is perfect, except for one thing—it ends much too soon. This Level Two I Can Read is geared toward kids who read on their own but still need a little help. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor, a Caldecott Honor, ALA Notable Children’s Book, Fanfare Honor List (Horn Book), School Library Journal Best Children’s Book, and Library of Congress Children’s Book.

Scary science is introduced with humor-laced facts in this new nonfiction picture book series from a prolific, award-winning children's book author, starting with our tiniest invader—the common cold virus, and its more frightening relatives! How does a virus make us sick? How does it spread? And what can

people do to beat them? Hi, I'm Virus! And I'm here to answer all these questions and more! In friendly, simple text, the most "common" virus, rhinovirus (the common cold), explains how viruses work and spread. With funny, engaging, and informative illustrations, this is the perfect way to explain viruses to young children who have questions in the wake of a pandemic. The nonthreatening common cold walks readers through the basics of viruses, and then features past viruses we have defeated, as well as introducing COVID-19. The start of a new series designed to make scary science more approachable, Science Buddies is here to explain the world to curious young minds!

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald and Piggie are best friends. In *I Am Going!*, Piggie ruins a perfectly good day by telling Gerald she is going. If Piggie goes, who will Gerald skip with, play Ping-Pong with, and wear silly hats with? Willems's Geisel Award-winning duo continues to delight readers with their silly shenanigans. Packed full of humor and heart, the Elephant & Piggie Books are vetted by an early-learning specialist and early learners themselves, so they'll be right on target for new readers.

I Am Invited to a Party! Disney-Hyperion

Read Along or Enhanced eBook: Elephants never forget During a drought in Tanzania, Grandma Elephant is in search of water for her herd. Little Calf

follows along and mimics her grandmother at each stop on their journey. When Grandma leads them to a watering hole she recalls from years before, the elephants are overjoyed and Little Calf splashes about with her tender leader. Grandma's persistence and powerful memory is something Little Calf will never forget. Based on true events. Sandra Markle's acclaimed nonfiction writing takes on a more lyrical style alongside Fabricio VandenBroeck's gorgeous illustrations making this story of animal behavior accessible for younger readers. Back matter includes further information about the phenomenon of a herd of elephants that survived a drought, as well as fascinating elephant facts.

[A Complete Guide to the Magical World of C.S. Lewis's THE CHRONICLES OF NARNIA](#) Scholastic Inc.

Are children natural philosophers? They are curious about questions such as the meaning and purpose of being alive and whether we can know anything at all. Pre-college philosophy takes as a starting point young people's inherent interest in large questions about the human condition. Philosophy and Education: Introducing Philosophy to Young People seeks to illuminate the ways in which philosophy can strengthen and deepen pre-college education. The book examines various issues involved in teaching philosophy to young people at

different grade levels, including assessing what teachers need in order to teach philosophy and describing several models for introducing philosophy into schools. Ways to explore specific branches of philosophy – ethics, epistemology, metaphysics, aesthetics, and logic – through literature, thought experiments, and games and activities, as well as traditional philosophy texts, are described. The book’s final section considers student assessment and program evaluation, and analyzes the contributions pre-college philosophy can make to education in general. Teachers and educators – and parents – all want young people to grow up with the skills they need to pursue their own goals and become productive and successful adults. Thinking independently and

reasoning clearly are central to these objectives. Philosophy helps students develop some of the analytic skills they need to engage in thoughtful decision-making throughout their lives, and the richness of the questions involved can help young people maintain their awareness of the world as marvelous and mysterious.

Philosophy in Education Disney-Hyperion

Gerald the elephant tells his best friend Piggie a long, crazy story about how he broke his trunk.

Waiting Is Not Easy! (An Elephant and Piggie Book) Walker

Drawing! Coloring! Sculpting! Gaming! Puzzling! LOLing! It's all here in the first-ever Elephant & Piggie ART-ivity book. Elephant & Piggie are joined by a new

face too: Art Vaark. Art the aardvark introduces Elephant, Piggie (and kids) to an incredible span of artistic styles: a "banana" still life; a color-by-number Piggie "Scream" painting; a scrap-paper collage (for which you earn an official "Collage Diploma"); and so much more. Created by the same team behind Don't Let the Pigeon Finish This Activity Book!, this fun-filled, hands-on book features an interactive narrative that invites kids into an exciting, original Elephant & Piggie adventure!

to the God who created moms and mothering

Elephants Cannot Dance! Cambridge Scholars Publishing

In 2013, people across North America were riveted by the story of Toka, Thika, and Iringa, the last three elephants at the zoo in Toronto, Ontario. Lonely for a larger herd, sick from the cold climate, and weak from standing for long days in a too-small concrete enclosure, the elephants desperately needed a change. The zoo and animal activists agreed that they should be moved to a healthier home, but the best option—the Performing Animal Welfare Society (PAWS) sanctuary in distant California—seemed like an impossible dream. In *Elephant Journey*, leading activist and award-winning author Rob

Laidlaw unfolds the journey of how that impossible dream was realized. In clear, straightforward prose, he describes the elephants' experiences on the journey of three days and 4,100 kilometers that brought them to the sanctuary at last. Celebrated illustrator Brian Deines' oil paintings, based on actual footage of the trip, provide an intimate window into the experiences of Toka, Thika, and Iringa as they braved their long road to a new life. Extensive back matter includes an index, photographs, and further information about this miraculous Elephant Journey.

REVIEW OF IM A FROG AN ELEPHANT AND PIGGIE

BOOK

- In this coming-of-age fantasy, Taran goes on a quest to find his true heritage. He is no longer satisfied with being an Assistant Pig-Keeper (well, he never was, but he's less so than ever), because he is completely head-over-heels in love with Princess Eilonwy (well, who wouldn't be?), and he hopes that his parents were of high enough lineage to make him worthy of her. What he discovers, however, is something poets and storytellers have been telling us for centuries--true nobility is in how you act, not in who your parents are. Finally Taran discovers his father--or is it his father? Since being a shepherd is not much better than being an Assistant Pig-Keeper (probably worse, since the pig

was the oracular pig Hen Wen), Taran would just as soon that he wasn't. But if Taran (and hopefully the reader) has learned anything by this point in the series, it is that if you want to be and not merely appear a hero, you have to accept reality as it is, and not just as you want it to be. This is not as exciting as some of the others in the series, but is an indispensable prelude to the magnificent finale, *The High King*.

- This is the first play by Arthur Miller I have read, and I inquired into mostly because of my interest with Witchcraft and the Salem trials. A wonderful play that shows the hypocrisy of a town threatened by purported witchcraft. The cry of "witch" by anyone in this town aroused and scared everyone. The lead characters Abigail Williams along with

Reverend Parris and John Proctor. I will not give any story here, for you should read it and be surprised and amazed. Nonetheless, the story lets one wonder how such a town and belief in the Bible (more so than God) can lead to such havoc. The laws are simple: 1) You are not a witch until someone points the finger at you. 2) You can deny these charges, but you will be hung. 3) If you confess you are a witch, then the sentence is jail. 4) If you do not believe in witchcraft you will be hung. These were the beliefs of the time, and it is demonstrated in this marvelous play. Arthur Miller tells an exciting story based on history (although he says it's not literal history for there were some needs for dramatic purpose), of a time when things were simple in America and

Massachusetts, yet like all towns in the world, there is always something brewing in the minds of the good who want to banish evil from their homes. Highly recommended!
