## REVIEW OF JOHN HOWE FANTASY ART WORKSHOP RAR

- The first time I read this book I was a sophomore in high school. Since then, I have reread it at least a dozen more times. This has to be the best book ever written. I would recommend this book to anyone.
- Although Count of Monte Cristo kept

me on my toes wondering what would happen next, it seemed to drone on by without a certain explanation. I loved the book, it just had parts that I thought Dumas could have easily done without. Besides that, Count of Monte Cristo was a wonderfully written book that deserves full credit on itself. It had such passion and devotion inside it; it's as though Dumas himself was feeling the same imprisonment as Dantes.
