REVIEW OF FORENSIC DOCUMENT EXAMINER TRAINING

- A witty comedy with literature beauty which is expressed through the clever exchanges, personal thoughts and philosophic lines (but not causing your temple to crease). Lucy Honeychurch, a young girl from a bourgeois middle-up class, decided to look at the world by visiting Florence in spring time, chaperoned by her elder cousin, Miss Charlotte Bartlett. What was started by an argument about a room with a view developed into an impulsive kiss from George Emerson amid the violets thus ended the Florence period in a flight to Rome, away from the 'bold' suitor. Now, George Emerson was not a brackish bold person. He was just a passionate one,

who had deep feelings about anything and was in a distress mood over 'everything doesn't fit' and there was no reason for him to enjoy life, though he didn't intend to commit suicide. While his father is an outright-spoken person which didn't fit nicely with English stiff etiquette style. Together, they were misfits among English tourists in Florence's Bertolini Pension. But a murder scene just took place right before Lucy's eyes and George, coincidentally, was able to help her away from the mass. From then on, his dour view of the world was changed and he discovered the wanting to live his life and Lucy found some extend of the deep emotion of a George Emerson. His impulse to kiss Lucy is understandable for a passionate guy, who was unprepared, caught the most beautiful sight of a lovely Lucy, who had revived him, among the violet blooming on the hill where you can have the best view of Florence. But unfortunately, the kiss was also seen by Miss Bartlett and that certainly put a chaos feeling to Lucy. Being forbidden to tell the accident to her mother or anyone else and fled to Rome the very next day, she did not have time to think her feeling over and quickly countered and proposed by Cecil Vyse, the son of her mother high society acquaintance in Rome. The uncertainty, self-denial and buried feeling masked all her actions. The frivolity and passionate spirit that loved the Beethoven music just went under beneath the hypocrisy of 'clever' society standard. Would she discover her true self and feeling at the right time? Or should George go back to his previous gloomy state? What would the so called clever society think? Find the funny but thoughtful lines in between and be invigorated by Beethoven!
