## PUNE KARAR MARATHI RECAP: UNLOCK YOUR FOLLOWING LITERARY JOURNEY WITH OUR CONCISE REVIEWS

AYURVEDIC GARBHA SANSKAR Penguin UK

"What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India." —Anand Teltumbde, author of The Persistence of Caste B.R. Ambedkar's Annihilation of Caste is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of Annihilation of Caste in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

(1986) Good Press

"The Powers Of The Mind" is a speech delivered at Los Angeles, California, on January 8, 1900 by Swami Vivekananda explained his thoughts on the Powers of the Mind. This book brings together that speech for followers everywhere in his exact words.

Shivaji is a well-known hero in western India. He defied Mughal power in the seventeenth century, established an independent kingdom, and had himself crowned in an orthodox Hindu ceremony. The legends of his life have become an epic story that everyone in western India knows, and an important part of the Hindu nationalists' ideology. To read Shivaji's legend today is to find expression of deeply held convictions about what Hinduism means and how it is opposed to Islam. James Laine traces the origin and development of the Shivaji legend from the earliest sources to the contemporary accounts of the tale. His primary concern is to discover the meaning of Shivaji's life for those who have composed-and those who have read-the legendary accounts of his military victories, his daring escapes, his relationships with saints. In the process, he paints a new and more complex picture of Hindu-Muslim relations from the seventeenth century to the present. He argues that this relationship involved a variety of compromises and strategies, from conflict to accommodation to nuanced collaboration. Neither Muslims nor Hindus formed clearly defined communities, says Laine, and they did not relate to each other as opposed monolithic groups. Different sub-groups, representing a range of religious persuasions, found it in their

advantage to accentuate or diminish the importance of Hindu and Muslim identity and the ideologies that supported the construction of such identities. By studying the evolution of the Shivaji legend, Laine demonstrates, we can trace the development of such constructions in both pre-British and post-colonial periods.

Selected Speeches : B.R. Ambedkar Literary Licensing, LLC

The Buddha and His Dhamma was B.R. Ambedkar's last work. Published posthumously, it presented a radical reorientation of Buddhist thought and literature, aptly called navayana. It deals with Ambedkar's conceptualization of Buddhism and the possibilities it offered for liberation and upliftment of the Dalits. It presents his reflections on the life of the Buddha, his teachings, and the spread of Buddhism by interweaving anecdotes with detailed analyses of the religion's basic tenets. The author also includes important elements of the Buddhist canon and tradition to make the teachings more accessible. In the first critical and annotated edition of this work, the editors address the on-going debate on Ambedkar's interpretation of the Buddha's dhamma by focusing on the accuracy of his citations and providing missing sources. They also discuss Ambedkar's modification of source materials. The introduction contextualizes the scholarly work related to the text.

Bhimrao Ramji Ambedkar, popularly known as Babasaheb Ambedkar, was an Indian jurist, economist, politician and social reformer who inspired the Dalit Buddhist movement and campaigned against social discrimination towards Untouchables, while also supporting the rights of women and labour.

*Ranade, Gandhi and Jinnah* Oxford University Press

Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, and gained a reputation as a scholar for his research in law, economics and political science. In his early career he was an economist, professor, and lawyer. His later life was marked by his political activities; he became involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956 he converted to Buddhism, initiating mass conversions of Dalits.

Bana is among the three most important prose writers in classical Sanskrit, all of whom lived in the late sixth and early seventh centuries AD. It is clear, from his writings, that his mind was amazingly modern, humane and sensitive, especially for the seventh-century India in which he lived. Bana had a healthy

irreverence towards many of the established orthodoxies of his time and his strength lies in his skill as a storyteller and as a creator of characters vibrant with life and individuality. Kadambari is a lyrical prose romance that narrates the love story of Kadambari, a Gandharva princess, and Chandrapida, a prince who is eventually revealed to be the moon god. Acclaimed as a great literary work, it is replete with eloquent descriptions of palaces, forests, mountains, gardens, sunrises and sunsets and love in separation and fulfillment. Featuring an intriguing parrot-narrator, the story progresses as a delightful romantic thriller played out in the magical realms between this world and the other, in which the earthly and the divine blend in idyllic splendour.

Characters are the driving force of the story, and we take a closer look at their characters, motivations, and partnerships. With our personality analyses, you can get a far better understanding of their duties in Pune Karar Marathi tale and just how they contribute to the general narrative.

*Revolution and Counter-Revolution in Ancient India* Springer Science & Business Media

A comparison between Karl Marx and Buddha may be regarded as a joke. There need be no surprise in this. Marx and Buddha are divided by 2381 years. Buddha was born in 563 BC and Karl Marx in 1818 AD Karl Marx is supposed to be the architect of a new ideology-polity a new Economic system. The Buddha on the other hand is believed to be no more than the founder of a religion, which has no relation to politics or economics. We appreciate your feedback and will use it to evaluate changes and make improvements in our book.

The Annotated Critical Edition New Press, The

Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete

well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes, yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal oil massages during pregnancy are also recommended for the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover.

This is one of the epics from Dr. Ambedkar. Written in 1945 the book really explains the dynamics of Hindu Mahasabha and Muslim League and how Congress and British Government played a role in partition. Although this book takes you to the unheard side of partition, it is interesting on how linguistic approach was chosen for a division of something that is unsure if it existed. Dr. Ambedkar takes a fine approach of giving a clarity of situation instead of been judgmental on the partition. No wonder the man was chosen to write our constitution. Of course if the war of majority and minority is kept away, the partition and its tragedy can be ready more fluently.

*Hindu King in Islamic India* Ssoft Group, INDIA

In response to the invitation of the Chairman of the Indian section of the Institute of Pacific Relations, I wrote in August last year a Paper on the Problem of the Untouchables of India for the Session of the Conference which was due to be held on December 1942 at Mont' Trambant in Quebec in Canada. The Paper is printed in the proceedings of the Conference. Ever since it became known that I had written such a Paper, the leaders of the Untouchables and Americans interested in their problem have been pressing me to issue it separately in the form of a book and make it available to the general public. It was not possible to refuse the demand. At the same time I could not without breach of etiquette publish the paper until the proceedings of the Conference were made public. I am now told by the Secretary of the Pacific Relations Conference that the proceedings have been made public and there can be no objection to the publication of my Paper if I desired it. This will explain why the Paper is published nearly 10 months after it was written.

A Novel Ssoft Group, INDIA

The figures quoted in this memorandum have been taken from various books and pamphlets written by various writers on the subject of reconstituting Maharashtra on a linguistic basis. I rely upon the writers for their accuracy. Similarly, the map of Maharashtra attached to this Memorandum need not be taken as accurate or complete. The idea is merely to give a picture of how the Province when reconstituted will look like.

### **REVIEW OF PUNE KARAR MARATHI**

- This was a birthday present for my daughter who lately is very interested in bugs and nature. The pages are huge and the pictures are very clear, and it gave a lot of interesting information and trivia. A very good buy.
- I bought this book because Bill Clinton in his biography wrote that this was the only "how to..."-book that he ever read. Usually, I am not into "how to..."-books myself. But I really like Clinton and I thought if it's good enough for him then I will try it out. This book has a lot of really good ideas that can be easily incorporated in your daily routines. I strongly recommend it.
