REVIEW OF CRACK THE GUY CODE

- I love this romantic story that ends in tragedy. It is the original Notebook (with death lol). Thank you so much!
- I can read these books over and over, but especially this one. It's my favourite. I started reading them over two years ago, and I still like them, whereas other books I have grown out of. There was something about Rashel and Quinn that I really liked though. I hope she writes more, and I wish they were easier to find!
