Lots of offer open door to a wide variety of electronic books and various other digital materials, consisting of PDF documents. You might be stunned at the amount of sources are offered to you completely free if you feel in one's bones where to look.

McGraw-Hill Science/Engineering/Math

The seventh edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course. It strikes a balance between theory and application by incorporating real-world examples; helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity; and developing problem-solving and critical thinking skills. Although the seventh edition incorporates many impressive features, such as conceptual idea review, animations correlated to the text, and hand-drawn worked examples, General Chemistry is still 200 to 300 pages shorter and much less expensive than other two-semester textbooks. Dr. Chang and Dr. Goldsby's concise-but-thorough approach will appeal to efficiency-minded instructors and value-conscious students.

Physical Chemistry for the Biosciences has been optimized for a one-semester introductory course in physical chemistry for students of biosciences.

An Introduction to General, Organic, and Biological Chemistry Universidad Santo Tomas

The Tao of Love and Sex is a revealing and vivid account of the ancient Chinese sexual teachings and techniques banned by the invading Mongols in the 13th century. The book describes, through

text and contemporary illustrations, the ways in which Taoist teachings about sexual love can be used as a means to achieving ecstasy and as a therapeutic and healing force. The modern Western reader can here discover the ancient Eastern methods of ejaculation control, types of thrust, love-making positions, erotic kissing, the conquest of impotence and about sex and longevity. Frank and explicit, yet inseparable from the Taoist spiritual tradition, The Tao of Love and Sex will enrich the variety, subtlety and sheer sexual pleasure of all who read it.

REVIEW OF QUIMICA RAYMOND CHANG 11 EDICION

- Mr. Child certainly has found a niche - technology and writing thrillers. A little difficult to get through all the 00000000's and other techno babble - but necessary to be convincing. Great read...

- My 6-year-old just started doing school plays, and he asked if we could get him Comedy of Error. I was searching for the book on Amazon, when I ran into this set. Upon seeing numerous other glowing review, I decided to go for it. The set came in a very well packaged box. The book bindings were decent quality, though the pages themselves were not the best. They looked a bit yellowish and flimsy. But I thought it added to the old world faded look. Now we have almost the entire collection for all the Shakespeare plays my son will participate in. You can not beat the price on this great collection.
