REVIEW OF BEAUTIFUL CITY FROM GODSPELL STEPHEN SCHWARTZ SAB SAB SHEET MUSIC

- I just keep continuing onto the next book. A book every couple days. Highly recommend it. If your into any vampire

series but looking for something a little more edgy. With the small romance parts so far in the series and the murder, fights, and struggle for her life. I find that its difficult to find a spot to actually stop in this book. With more then 20 books in the series I can say that all of them are so far (as of book number 4) as good as the last.

- This book contains much useful information but needs to have the errors corrected before the next edition is published. These errors are nagging and make playing through the openings described sometimes difficult
