REVIEW OF HER LAST GOODBYE MORGAN DANE BOOK

- This is a most interesting, well thought out book. It give good, concise details of 9/11 events. However I think it lacked depth and could have been more detailed about what is next in terms of Port Security. More emphasis needs to be placed on this area. Worth the money, overall I am pleased with my purchase and would recommend this book
- This is a book I have loved since I first learned to read, that was a child's version and this version has much more information.
