REVIEW OF NUVI 360 USER GUIDE

- Very good basic Perl book, helped me out quite a bit, if you are new to Perl like I was this gives you a good basic understanding.
- Reading this book was like a visit with a good friend. I found myself reading much slower as I neared the end of the book because I didn't want it to end! The Blanchards detail the good and the bad and the inconvenient things that go along with living on an island in the middle of the ocean, but never in a boring way. I was ready to hop on a plane by the fourth chapter! You will enjoy this book---great to take to the beach!
