## **REVIEW OF CIVILIZATION ON TRIAL BY ARNOLD J TOYNBEE REVIEW**

- As a result of Judith's book, I have been feeling MORE of myself, having more compassion for myself, noticing my addictions to my cell phone and nodding off (or just fading away) and feeding my hungers in MORE nourishing and

meaningful ways. As a result, I am more satisfied in my life, getting to know more about myself, having more meaningful conversations and connection with all people, from someone in the elevator, on dates or my mother. I struggle with it being ok to want more, but realize that there is an abundance of resources available for all of our taking/seeking. I want MORE and am getting MORE. Thank you Judith for the inspiration.

- Lists of concerts, what songs were played, etc. If you're a Kiss freak, you probably should own this. It's fun to see what songs were played on which tours.
