## REVIEW OF A GREAT DAY AT THE OFFICE SIMPLE STRATEGIES TO MAXIMIZE YOUR ENERGY AND GET MORE DONE MORE EASILY

- The Kindle edition has NO hyperlinks in the document. It gets better. When you search on the word "chapter," none of the chapter beginnings are found, supposedly because the chapter heading is an IMAGE, not text. I'll try other editions, and if needed, a download from Mobi, and report back on whether I can find a version of this book that can be used with a linked Table of Contents.
- The book started out extremely boring and it took me a while to get into it. There are 16 chapters and it got a little better in about chapter 14. The book does have great quotes and figurative language, but other than that I would not recommend this book to readers. I did not enjoy it at all. Please so not waste your time on this book. It may be all right for adults, but it just does not keep kids attention.
