Do not forget to connect with us and fellow book enthusiasts in our lively community. Share your favored checks out, take part in thoughtful conversations, and discover new literary treasures. And if you ever before need aid finding the excellent book, our educated staff is right here to supply individualized recommendations.

**REVIEW OF DESTINOS SECOND EDITION OF THE ALTERNATE**

- This book was awesome (not in the slang sense). The concept of one of America's being Germany's top Nazi stimulated my mind. The book tickled my imagination and made me realize just how happy I am to be me.
- Probably Vonnegut's best. Deep dark humor. Cleverly subversive. Serious insight into human nature without being preachy. I sometimes get annoyed with Vonnegut's preoccupation with WW-II. But this time it was worth it.
