$$E(bS^2) = (b\theta/n)E(nS^2/\theta) = b(n-1)\theta/n, \text{ var}(bS^2) = (b\theta/n)^2(2)(n-1) = 2b^2(n-1)\theta^2/n.$$

Therefore  $E[(\theta - bS^2)] = [\theta - b(n-1)\theta/n]^2 + 2b(n$

$$- 1)\theta^2/n^2.$$

Differentiating this expression with respect to b, we have  $2[\theta - b(n-1)\theta/n][-(n-1)\theta/n] + 4b(n-1)\theta^2/n^2 = 0$ . Solving this expression for byields  $b = n/(n + 1)$ .

## REVIEW OF INTRODUCTION TO MATHEMATICAL STATISTICS 7TH EDITION HOGG

- Dear Readers, The Counte of Monte Cristo is but far one of the best books I have ever read. My girlfriend and I have read this book about 4 times each since we first read it a year ago. Edmond Dante` is an inspiration to us all. The easier was to describe the book, Happiness, Sadness, TRIUMPHANT. After you read this book you are going to want to read it again. All I can say is "Wait and Hope" (hint hint) and you will see. I am going to read this story to my kids one day, in order to teach them Courage, hope and

Never Never give up.

- "Only weak minds see the future in a black cloud" this is my favorite Count of Monte Cristo's remark, this and other similar pieces of wisdom kept me riveted to this great long read. Montecristo is a long consecrated piece of classic literature and for me is useless to rate it as good or bad, it is better to give a personal impression about what one felt after finishing its almost 900 pages. In my opinion this novel is about personal relationships, how can be fostered and then easily destroyed due to jealousy and personal ambitions. The ideas of spirituality, material ambition, fair revenge

and Divine blessing and punishment hover over the plot all the time. The plot begins with one focus, the transformation of Edmond Dantes into the Count of Montecristo due to misfortune arising from a personal treason, and then shatters into small stories with many different characters, each and every one of them, related one to another due to events told throughout the storyline. On the final chapters the novel recovers the single focus, the idea of justice, in order to conclude in an ending based on moral reasoning. The story unfolds at the post-Napoleonic era in France.
