REVIEW OF MESSI VS RONALDO GOALS STATS FOR MESSI CRISTIANO RONALDO

- how BORING this book is. For the life of me I can not understand how some readers "LOVED" this. Like the reader from Manhattan, I also couldn't keep going after a certain page. And God knows I've tried. I've tried a couple of times. And I just couldn't go on. It just never took me anywhere. Why, for the Love of God is this book considered to be a classic?????
- This is a book is a wonderful read. The story is relative to today, even though the time period she wrote it was in the 1930s. The characters are believable, emotional people. I highly recommend this book.
