We extremely recommend this publication to readers that are looking for a thought-provoking and psychologically impactful read.

REVIEW OF OU DEGREE 3RD SEM RESULTS 2017 OSMANIA UNIVERSITY RESULTS

• This book focuses primarily on the author's high school years, and it's a rough read in places. At a young age, she had to navigate a lot of danger and a lot of adult irrationality. I think it's important that books like this are written, and the world would be a safer place if victims of every sort of abuse were willing or able to drag their story out into the light. Abusers love a "shameful" secret. That said, "Jesus Land" suffers from a few obvious problems that make me question how balanced the book is. First, almost every adult in the story is painted as either a cruel idiot, or just an idiot. It reminded me of the eighties film "The Breakfast Club", where all of the kids were intelligent, nuanced and sincere, but the school principal was a one-dimensional, unthinking monster who needed to be defeated. It isn't just the adults, though - almost the entire adolescent population of Lafayette, Indiana in the early eighties were apparently idiot hicks, too. There is also very little concession to the reality that to everyone around her, she probably appeared to make consistently horrible and dangerous choices. If my teenage daughter was drinking Southern Comfort on a regular basis, tanking at school, and sneaking a guy that she didn't even particularly like into her bedroom every night to have sex, a few flags might go up. I don't believe that the right solution was to ship her to reform school in the Dominican Republic, but she was well on her way to being an alcoholic teenage mother with no education and a venereal disease. I can sort of empathize with her parents on this count, even if they were making some equally poor choices (with only half of the relevant information). Personally, I found some of her treatment of Christianity to be gratuitously and deliberately offensive here and there. It's her book, but that was my reaction, and I found it very distracting. Beyond all of that, I felt that the author sometimes confused immodesty with transparency. Consequently, we are treated to some rather weird details about her life and perceptions that contribute nothing to her story but made me want to scrub my brain with bleach. We all have those details, but few of us publish them. Decorum isn't all bad. I have actually been to

Escuela Caribe (hence my interest in Scheeres' story) - not as a student, but as a visitor for several days. I'm completely aware of how glaringly superficial my glimpse of the school was in comparison with the harrowing experience of being held there for many months. I certainly do not doubt any particular aspect of her account, but a couple of things did come up for me:- The Dominican Republic is a poor nation suffering from third world living conditions. To an American teenager Escuela Caribe was no doubt a complete dump, but by Dominican standards, the facilities are quite nice. Maybe they were decidedly worse when she was there. The courtyard area described in the book is absolutely beautiful. There's a deep pit at the school that has to be manually emptied on occasion with buckets, and locals were paid to do just that when I was there. I've also stayed at a very nice, modern home in Santo Domingo, and they were throwing their used toilet paper into the waste basket next to the commode because the sewer systems are not very advanced, just like at the school. It's a different world.- For some kids who end up at Escuela Caribe, it is their last stop before they go over a cliff into continued drug abuse, prostitution, or crime. The reality is that for at least some people, the school has been successful. Whether or not the Christianity aspect is key in that, or the brute discipline is the reason, and whether or not those two things are even compatible in any way, is another discussion. But there is another side of the story, and I heard it myself from former students who were appreciative of the program and were in turn working there to help others. To my knowledge, the school is not completely without any accountability, however informal. The book just seemed lopsided in a way that made me maintain some critical remove. Overall, I appreciated the author's experiences and especially her resiliency, but I didn't see that she had gained any particular wisdom or insight. Maybe she views the book as more of an exposé.

• Very well written and enjoyable to read. Information about every day life in Israel was interesting. Particularly enjoyed learning about the history of the Ethiopian Jews and how they were brought to Israel, as well as about all of the different groups of Jews and how they interact. Good overview of present day life in Israel.
