### **REVIEW OF KIA PICANTO SERVICE AND REPAIR MANUAL**

- The characters in this book are just so real. This book, like the others, isn't packed with incredible action and suspense but it's an amazing story all the same and a very enjoyable read.
- I grew up with this book, so I'm bound to be a little biased. However, Kipling's stories are unchallenged masterpieces of folktale in whatever version you find them unabridged. I am now an illustrator and fine artist, and in my opinion Vestal's illustrations in this edition are superb. I will never tire of looking at his turtle and hedgehog turning into armadillos. If you own this book, you're blessed. If not, I hope you get the chance to enjoy it.
