REVIEW OF A MODERN APPROACH TO CLASSICAL GUITAR

- A cute and funny parody, something you would definitely buy for your kids, but not really the classic most reviews claim it to be!
- I am a long-time Glamour reader and have been mesmerized by Erin's story since she was diagnosed. It takes a lot of courage to go public with such an intimate story, and Erin tells her tale with such grace that it was really hard for me to put the book down -- I literally finished reading it within 48 hours (which made my husband laugh because I read an entire book before he even finished a chapter of his). BUY THIS BOOK!
