publication reviews. Keep in mind, checking out reviews can aid you make informed choices concerning what to review following and can expose you to new authors and categories you may not have considered previously.

### **REVIEW OF NBME SURGERY SELF ASSESSMENT ANSWERS**

- We recently added ESL to our school and with a huge influx of Spanish speaking students, we were up in arms. This book eased the tension of boredom. They are emerged and reading and still learning English. We are all happy.

- An adventure you do not want to put down and find it very sad when the story ends. The characters are very engaging and sympathetic except for the evil doers.
