REVIEW OF F59PHI LOCOMOTIVE MAINTENANCE MANUAL

• I am a student from Saxton Middle school. Although it seems I am the only person who expressed my feelings for this book negatively my feelings are true. This book was BORING and students do not have to go threw the pain and sorrow. Sorry if any one got offended.

• This is the quintessential morality play. Good triumphs; mindless evil is defeated by a supreme act of selfless heroism; love is affirmed. One needs not to mix up the book with Gorge Stevens superb movie. The two share many virtues: spare dialog, toughness and tenderness, a clear and simple (but never simplistic) vision. George Stevens should have won an Academy Award for the movie (do you remember what movie won the Best Picture award in 1952?). The movie is one of those rare, wonderful adaptations of a book that is both true to the original and brilliant in its own right. Schaeffer's book is deceptively simple. It records events through the eyes of Bobby (not Joey) Starrett. It is a pre-adolescent coming of age story from a more innocent time. Young Bobby sees his parents and his home threatened. A jaded and blasé stranger rides into the valley, and finds the family he never had. By (presumably) dying for them he lives on. None of this does it justice; you should read it for yourself (and then watch the movie).
