REVIEW OF BASIC

PATHOLOGICAL SCIENCES EXAM RCPA PAST PAPERS

- This probably sounds a little corny, but the Princess Bride is my most favorite book. 500 pages of excitement, mystery, romance-anything you would ever want in a novel, I couldn't put it down. Just imagine yourself as one of the characters and you can go down to the most bottom level of the animal cages in Prince Humperdink's castle or through the firey swamp as Westley and Buttercup escape once again. I highly recommend this book to people of all ages who are willing to go on a wild adventure

- The first time I read this book, I loved it, fullstop. The second time I read it, I was pretty angry about being tricked, but it was still awesome. Reading it all these years later as an adult, I noticed how sexist, racist, and lazy this book is. Don't get me wrong- enough of it is still entertaining that I didn't try to set my copy on fire, but it's not nearly as good as I remember it being.
