### **REVIEW OF ALTAIR 8800 CLONE COMPUTER TABLE OF CONTENTS**

- I bought this book for my 2-year-old and she LOVES it! It's simple enough to keep her attention and she loves all the animals in it. Of course, as her Mama, I love the message. I highly recommend it to all ages!
- The book is excelent for beginners to intermediate users, but more oriented to the sysadmins. It covers all importante aspects of installing, configuring and maintaining Debian. If it were a little bit more broader it would cover everything needed.The only disapointing aspect it's the ortographic errors and the mislabeled pictures.
