Keep in mind, checking out evaluations can aid you make informed decisions regarding what to check out next and can reveal you to new authors and categories you could not have thought about previously.

REVIEW OF OPEL KADETT C GTE

- Timothy Mo's first novel is a blisteringly funny account of the misadventures of Wallace Nolasco, a Macau native who marries into a wickedly dysfunctional Cantonese merchant's family. Set in an evocatively depicted 1950s Hong Kong, this book is a devastatingly funny account of Chinese culture and family life. In many ways it remains accurate even today. The Monkey King contains many many wonderful insights into colonialism, Confucianism and family politics. This is a humane, arch and beautifully-written piece of social and human analysis blended with touches of whimsy and magical realism. Like Sun Wu Kong the famous Monkey King of "Journey to the West", Wallace uses his brains, sleight of hand and force of imagination to eventually pull success from the jaws of failure. However, the disturbing ending of the book points to deeper and darker forces at work within this sunny and good-humored tale. Some people may have a problem with the "dialect" that Mo has his Cantonese-speaking characters use when they are speaking "Chinglish", personally I think it's a marvellous use of an artistic convention to confront speakers of standard English with the fact that local dialect adaptations of English (not elite-sanctioned text-book varieties) are the standard method of communication in many different places. Despite the official pronouncements, this book is actually alive and well and available through the UK Amazon site. It is published by Mo's own Paddleless Press which he set up in 1995 after he sacked Random House as his publisher.

- This book taught: That we can master more than one trade, That we should invest in ourselves and be our own bosses, That organization begins at home, and more.
