## REVIEW OF GAMES AND INFORMATION AN

## INTRODUCTION TO GAME THEORY 3RD EDITION

- I have read this book about 6 times and I have to say, every time I've read it it's just been magical. There are some things you read or see that you can just read or watch again and again and you never get tired of it! Jonas was such a courageous boy, so independent. And everyone needs to read a bit of that these days! In a world of no poverty, no disease, no true-bred mother father or siblings, no weather changes, no holidays, no true love. Can you imagine what that would be like? Well, Jonas does, and that's what makes this book so wonderful. It's realism. Lowry can just pull you in, let go a bit, then tighten the rope again. I loved this book, and recommend it for anyone who can read and has good sense about books! Got any comments email me at BEXAWORM@aol.com

- This book was part of my 8th grade reading list, and I must say I was shocked. Whatever message the book conveyed, it frankly freaked me out. I do not recommend it for the emotionally unready.
