Here are stories to remember, images of real people and circumstances closer to your own life than you've ever imagined. By the time you've finished the year's worth of reading, you'll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings. ### **REVIEW OF BEKO WML 15106 NE MANUAL ENGLISH**

- I bought all of his books at the same time and read them in reverse order. No kidding! Each touched me and healed and helped me. I am much more effective and sensitive to myself now. I can't tell you which taught me what, I just know they are brilliant. I gave them to a treasured friend and encouraged her to pass them on to others seeking balance and enlightenment.

- The book arrived on time. I was in very good condition for a used book. There was some writing and highlighting in it, but it was sparing. Also, some of the pages had their corners folded over but that too was minimal. Aside from that minor inconvenience (it was barely worth mentioning), the product was in good condition and I would use the seller again.
